Thank you for enquiring & considering *Wigglesworth Bible Academy*.

We offer dynamic Christian Instruction at affordable means-tested prices, in other words, according to your income.

When does Wigglesworth Bible school start? We keep in line with other Institutions. We start the year in September and the students Graduate in July the following year. The Students who complete a year at Bible School receive a first year Graduation Diploma Certificate. Students may choose to do a second year at Bible School. This is for students who are truly serious about ministry and wish to undergo a final year.

For successful candidates, we offer courses which include a church planting programme, evangelism Outreach, worship leader, media, Christian counseling, Christian Doctrine, Church history etc. Weekly timetable Tuesday/Wednesday evening 7.30-10 or Wednesday morning 9.30am till 3pm

We have set a three tier price plan starting at £500 which is for those students on £10,000 income, £1,000 per year for middle bracket income say £15,000- £18,000, and for people above that income £1,500 per year. The last bracket is more in line with other Bible schools. But we still believe we are the most competitive comprehensive Bible school available with a heart to see the believer excel.

We believe that finances should not be a deterrent, if you believe that you could be called to ministry or you have a desire to understand the Bible and the gifts of the Holy Spirit to a greater capacity. So we also have a sponsorship programme in place for those who may fall well below the first price Plan, we do this because we recognise an individual's calling not the financial predicament that they find them self. So if *Wigglesworth Bible Academy* is for you & have prayerfully thought it through, Please complete the application form included in this introductory letter....Thank you.
